

# EXCITED ABOUT STUDY ABROAD ?

- Share your stories with the World

## Write a Study Abroad Review !

Reviews on Abroad101 will help other students understand what your program was like, will help them convince parents that study abroad is AWESOME, AND the best reason to submit a review on Abroad101 is to help YOU!

Your review will be published on the Abroad101 website and will become its own webpage.

It's a great place to showcase your experience and use it to open doors to your career.

Show future employers and other recruiters that you can be constructive in your criticism, take responsibility for your outcomes, be reflective and be forward thinking.

State your new worldview and use the review as your place to shine.

When you complete your review, we also encourage you to include a link to it in the education section of your LinkedIn profile and then join the LinkedIn group called "The StudyAbroad Advantage"

To begin your review,  
visit the [StudyAbroad101.com](http://StudyAbroad101.com)  
search for your program and click the  
"leave a review" button, or start here:
